CCP presents some of the very best in contemporary photography for sale thanks to the generosity of CCP artists, Ross Coulter; Siri Hayes; Eliza Hutchison; Paul Knight; Robert Rooney; David Rosetzky; Daniel von Sturmer and Lydia Wegner.

Buyers can begin their collection or build upon existing collections with work ranging from glorious landscapes to dazzling abstraction; from intimate embrace to the schoolyard; from 1956 to the present; from emerging to established artists—there is work for every home. Prices range from \$880 to \$6,000.

One of Australia's premier venues for the exhibition of contemporary photo-based arts, Centre for Contemporary Photography is a not-for-profit organisation that generates over 60% of its income through fundraising and community support.

Purchases from the Centre for Contemporary Photography Limited Edition Fundraiser will directly support the artists and enable CCP to continue to provide a context for the enjoyment, education, understanding and appraisal of contemporary practice.
