CCP + PERIMETER BOOKS Shop

CCP and Perimeter Books are joining forces. As of March 27, the CCP gallery store will transform into a trove of published matter curated by Melbourne bookstore, publishing house and distributor, Perimeter Books.

The store will stock a curated selection of local and international photography, small press and art publications from some of the world's leading independent publishing houses and imprints including Mack (UK), Roma Publications (Netherlands), Post Editions (Netherlands), Spector Books (Germany), Hatje Cantz (Germany), Edition Patrick Frey (Switzerland), Kodoji Press (Switzerland), Libraryman (Sweden), Art Paper Editions (Belgium), Super Labo (Japan), The Ice Plant (USA) and local publishers such as M.33 and Perimeter Editions.

The new look shop will work to both compliment and further deepen the CCP's engagement with contemporary photography in all its forms and modes of presentation and will become an active space for publishing-related activities.
